

The Victorian Planning & Environmental Law Association in conjunction
with HWL Ebsworth Lawyers presents

**The Future Growth of Melbourne: East or West?
Development, infrastructure and locational advantages**

Melbourne has traditionally developed to the south-east and in more recent times has seen unprecedented expansion to the north and west. Many councils have extolled the virtues of their municipalities and regions, but where is the future growth of Melbourne best placed? What are the success stories and examples achieved to date that are paving the way for other great growth outcomes in the world's most liveable city?
